

OPTIONAL FORM NO. 10

UNITED STATES GOVERNMENT

Memorandum

CONFIDENTIAL

06C 64-5235

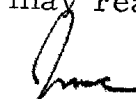

TO : Legislative Counsel

DATE: 2 December 1964

FROM : D/BPAM

SUBJECT: William J. Kennedy, Staff Member, Senate Appropriations Committee
Jack:

I got very concerned about Bill Kennedy's reported views on CIA middle management and communications. I do not recall whether you said we'd be briefing Kennedy or not? I'd feel we should be sure Kennedy appreciates the great strides we've made . I prepared a paper for BOB info on this and it is one which Kennedy may read should clearance be granted.
